KARL LAGERFELD

STYLE #: 31-KA234GVW-E.00

This special bridal jewelry collection, exclusive to Robbins Brothers, was founded by fashion luminary Karl Lagerfeld, one of the world's most renowned and visionary designers. The styling of the rings reference special and endearing things to Karl himself, and are inspired by the intricacy and curves of iconic Parisian architecture.

M
MICHAEL M

STYLE #: R175

Michael M's modern approach to European sophistication makes the designer truly unique. The old world charm is reflected through European style shanks and architectural designs. The rings are bold and unapologetic, a perfect fit for Robbins Brothers as we strive to offer guests a variety of striking options.

DIAMOND

STYLE #: LC10235-PS

Designer Jay Gilbert is a favorite. He focuses on creating timeless and amorous pieces that are comfortable yet elegant. His passion for color takes him around the world to source and hand select the most beautiful gemstones. When the rings are combined with the stones, the outcome is truly breathtaking!

KIRK KARA
FOREVER CAPTIVATING®

We love Kirk Kara because of the intricate details on each ring. They all have such a romantic and sophisticated presence. And now, the designer has stepped into a modern approach with daintier styles, contoured bands and lots of color; still with a classic Kirk Kara touch featuring beautiful hand engraving and milgrain.

HENRI DAUSSI

STYLE #: PZLG880

In a world where timeless classics rule but shoppers want a bit more “umph,” Daussi comes through in the most amazing way. With elegant designs and a dramatic center diamond that faces up larger than traditional diamonds, every single Daussi piece is a show-stopper.
